Public Speaking.

Hon. James R. Hindman, National Democratic candidate for Clerk of the Kentucky Court of Appeals, will speak at the court house Tuesday afternoon.
Hon. John W. Yerkes, of Danville, brother of Mayor W. L. Yerkes, will speak at the court house on Oct. 25.
Hon. W. M. Dickerson is announced to speak at the court house on the 30th. Judge H. C. Howard will speak at the court-house in this city, on Friday, Oct. 29, at seven o'clock p. m.

Supplemental Registration.

Monday, Tuesday and Wednesday, October 25th, 26th and 27th, are the days fixed by law for supplemental registration. At this registration only those who were necessarily absent from the city or were sick on regular registration day can register.

The citizens of Woodford, Scott and Jessamine will give a grand barbecue Saturday in Viley's woods, near Midway. Among the noted speakers expected to be present are Hon. John G. Carlisle, Hon. Josiah Patterson, Senator Wm. Lindsay, Col. W. C. P. Breckinridge and Judge Yost. Saxton's band will furnish music for the occasion.

For the consideration of \$500 Mr. Bryan has "consented" to speak at a county fair in Arkansas. Mr. Bryan is quite the rage as a county fair attraction. He will doubtless secure the silver nomination for President in 1900, but he will never be President. The people do not want a side-show attraction for a Chief Executive.

A SILVER Democrat at Lexington made a spectacle out of himself Wednesday night by interrupting Hon. Josiah Patterson's speech. Some people will never learn that the man who interrupts a speaker—be he preacher, political orator or a patent medicine fakir—always gets the worst of the argument.

W. J. BRYAN has offered a large sum of money to Ewing College, at Benton, Ill., to be known as the Mary Elizabeth Bryan fund, in compliment to his mother. The income is to be used annually during commencement week in cash prizes for the best essays on the science of government.

SAM SHACKLEFORD, the dumb silver candidate has spoken. He said: "Boys, I want you all to vote for me." This is better, anyhow, than a lot of silver bosh and Chicago platform ravings.

POOR old Kentucky, Ohio, Maryland, and New York have quarantined against Bryan, Bailey, Towne and other silver orators, and Kentucky has to stand 'em all—to say nothing of local talent.

HON. J. W. TOWNE, a free silver Republican from Duluth, has been imported to make silver speeches in Kentucky for the silver Democrats. Silver, silver, silver, is the issue.

NEW YORKERS are betting \$1,000 to \$700 on Van Wyck, the Tammany candidate for Mayor.

THE negroes have nominated candidates for county offices in Jessamine.

To the Voters of Bourbon County.

HAVING received the nomination in the Republican County Convention for County Clerk of Bourbon county, I take this method to ask the support of all my friends. I pledge myself to a conscientious and faithful discharge of official duties, if elected in November.

Respectfully,
(tf) WM. M. GOODLOE.

[Communicated.]

The Mission of Democracy and the Democratic Party.

Civil government was established to protect both life and liberty.

Democracy is the friend of social order because it seeks to cure social evils. It is the enemy of anarchy and violence because it seeks wisely and prudently to eradicate the wrongs that lie at the root of popular discontent. It is not hostile to wealth, but it is hostile to plunder and it is jealous, as it should be, of inordinate power and of the growth of an oligarchy in a democratic republic.

There must be such a party in this country if it is to remain free. Representative Democracy is the foundation of our political philosophy—the voice of the people, the divinity of popular rights; and it has at all times the elements of all needed reform.

Our revolutionary fathers revolted and would not submit to be governed by a monarchy; and would not submit to unjust taxation even upon tea.

What is the situation to-day? We see this country ruled by trusts for the trusts and by the trusts and everything wrapped up in the coils of a trust. Statistics proved that this year cattle were several million short and the farmers confidently expected from five to five and a half cents for their fat cattle.

What was the result? It was not supply and demand. The powers met in Chicago presided over by Lord Armour and the dictum went forth that \$4.50 should be the highest price and the farmers were compelled to submit. They would have hammered wheat back to thirty cents per bushel had it not been due to a widespread failure of the crops abroad amounting to almost a famine in the large country of India. All the products of the earth can be cornered under a high protective tariff and a single gold standard. Restore bimetallism and a tariff for revenue only and the trusts cannot live.

The single gold standard has been the direct cause of the financial distress that has fallen upon our people since its adoption; and the highest gold standard authorities admit that it has been a period of almost unexampled depression and disturbance of trade and industry with falling prices for nearly all the products of human labor including land since demonetization in 1873.

If the people of this country cling to the gold standard they must accept the rule of the trusts which means increased wealth to the very wealthy and increased poverty and degradation for the toiling masses.

A recent article written by Thomas G. Sherman shows that 9,000 persons in this country are worth an aggregate of twenty-four billions of dollars, and that 20,000 own more than half the wealth of the whole country while 75,000,000 are supposed to own the other half.

We believe in honest money, the gold and the silver money of the constitution, and the coinage of both metals without discrimination against either into standard dollars of final payment and redemption. It is the legal endowment that gives money its value and not the commercial price of the bullion.

The material in a hundred-dollar green back is worth probably the fourth of a cent and it is worth five twenty-dollar gold pieces the world over.

We believe in a tariff so adjusted as not to foster monopolies and breed trusts and to favor the few at the expense of the many and that would equalize differences and the general welfare of the American people.

We would then have a government of the people, for the people and by the people, and not a government of the trust for the trust and by the trust as represented by Mark Hanna, Phil Armour and Co.

MOTHER!

There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it.

Mother's Friend

so assists nature in the change-taking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

MOTHER'S FRIEND

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer.
HENDERSON DALE, Carmi, Illinois.

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. H. E. Dugdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 28 years, I was a constant sufferer from dyspepsia and a weak stomach. The lightest food produced distress, causing severe pain after eating. I was treated by many physicians and tried numerous remedies without permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and Nerve. Within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I kept them at hand and a single dose dispels any old symptoms."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.
